However, a dog which has been entered in a Novice A class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice B class under the following conditions: the request for the move must be in writing and presented to the Superintendent or Trial Secretary at least 30 minutes prior to the start of each trial. If you have tested positive for COVID-19, do not attend the trial!

We will give a full refund with proof of a positive test.

AGILITY GATE APP – Code 2468

This is an app for your iPhone or iPad or Android device. With this app you can go to a class and check-in, scratch, let the gate know you are FEO or that you have a conflict. When the class is running you can see who is running in the ring. The running order will update automatically as dogs are checked in, when they run, etc. You can stay in your set-up and keep an eye on the running order to see when you are due up. Open and Novice people can see what classes are running to have a better idea how the show is running. Go to the app store that you download your apps from to download it. You can download the app before you get the code. Maps for the day will be posted on Agility Gate.
