Schedule of Events

Thank you for your entry. This is the second confirmation of your entry into Agility Club of San Diego Agility Trials on August 7 & 8, 2022. Please check your confirmation carefully. If there are any errors, please contact Karyn Dawes at shelties259@gmail.com. If you need to make corrections, please put "ACSD" in your subject line.

AGILITY GATE APP - Code 2468

With the app you can go to a class and check-in, scratch, let the gate know you are FEO or that you have a conflict. When the class is running you can see who is running in the ring. The running order will update automatically as dogs are checked in, when they run, etc. You can stay in your set-up and keep an eye on the running order to see when you are due up. This will keep groups of people from congregating around the gate and help with social distancing. Open and Novice people can see what classes are running to have a better idea how the show is running. Go to the app store that you download your apps from to download it.

Updated COVID-19 Guidelines

If you have tested positive for COVID-19, do not attend the trial! We will give a full refund with proof of a positive test.

At this point, COVID waivers are no longer required.

These guidelines may be modified for different venues OR changes that the State or CDC make. Please check judging schedules for each trial to see what the guidelines will be for that trial. If changes occur after the judging schedule is published, you will be notified by e-mail.

Masks are encouraged for unvaccinated people (per CDC and State recommendation). This will be an honor system - we will not be requiring proof of vaccination. We will not be taking temperatures.

If you are vaccinated, it will be a personal choice whether you want to wear a mask or not.

We encourage everyone to keep social distancing, especially while walking the course. Be aware that people will have different levels of comfort at this time and please respect that.

HVOC Field Rules:

1. Consumption of alcoholic beverages or smoking is not permitted on the grounds.
2. No vehicles can be driven on the grounds.
3. Any food consumed on the grounds must be monitored so no residuals are left on the grounds, and no **shelled nuts** are permitted at any time.
4. Users are permitted to use the parking area immediately adjoining the field, either paved or dirt area. The dog park parking area is not considered an approved parking area.
5. Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.
6. **NO SMOKING ON THE FIELD**

NOVICE AND OPEN COMPETITORS

If you have any questions or need help with anything, please come to the score table and someone there will be happy to help you. If this confirmation is confusing to you and you need some further explanation e-mail

shelties259@gmail.com and Karyn will help you make sense of it.

MOVE-UPS

All pre-show move ups must be received by 6pm, **Monday August 1**. The AKC requires move-ups to be in writing. You may send an email for a move-up to shelties259@gmail.com with your name, your dog's call name, the name & date of the trial and what class you want the dog to be moved to. If you miss the deadline for move-ups, you may move your dog up the first day of the show for any **subsequent** days even if you are not showing a dog that day. In addition, a friend may do the move-up for you if you are not there. However, you may not move up the day of the show for that day.

There will be day-to-day move-ups at the show provided the Trial Secretary receives them within 15 minutes after the end of the last class. There will be no move-ups in the morning before the start of the trial.

However, a dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from the Novice "A" class to the Novice "B" class.
