## AGILITY GATE APP – Code 2468

This is an app for your iPhone, iPad and Android device. With this app you can go to a class and check in, scratch, let the gate know you are FEO or that you have a conflict. When the class is running you can see who is running in the ring. The running order will update automatically as dogs are checked in, when they run, etc. You can stay in your set-up and keep an eye on the running order to see when you are due up. This will keep groups of people from congregating around the gate and help with social distancing. Open and Novice people can see what classes are running and have a better idea of how the show is running. You can download the app just like any other app you have on your phone or tablet. You can download the app before you get the code.

## UPDATED COVID 19 GUIDELINES

***If you have tested positive for COVID-19 or exhibit symptoms that morning, do not attend the trial!***  
We will give a full refund with proof of a positive test.
