### **MOVE-UPS**

---

All pre-show move ups **must be received by 6 PM Monday, Nov 11.** The AKC requires move-ups to be *in writing*. You may send an email for a move-up to [agilesam@gmail.com](mailto:agilesam@gmail.com) with your name, your dog's call name, the name and date of the trial and what class you want the dog to be moved to. If you miss the deadline for move-ups, you may move your dog up the first day of the show for any subsequent days even if you are not showing a dog that day. In addition, a friend may do the move-up for you if you are not there. You may not move up the day of the show for that day.

There will be day-to-day move-ups at the show provided the Trial Secretary receives them within 15 minutes after the end of the last class. There will be no move-ups in the morning before the start of the trial.

However, a dog which has been entered in a Novice A class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice B class under the following conditions: the request for the move must be in writing and presented to the Superintendent or Trial Secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from the Novice A class to the Novice B class.

### UPDATED COVID 19 GUIDELINES

***If you have tested positive for COVID-19, do not attend the trial!***

We will give a full refund with proof of a positive test.

### AGILITY GATE APP – Code 2468

This is an app for your iPhone or iPad or Android device. With this app you can go to a class and check-in, scratch, let the gate know you are FEO or that you have a conflict. When the class is running you can see who is running in the ring. The running order will update automatically as dogs are checked in, when they run, etc. You can stay in your set-up and keep an eye on the running order to see when you are due up. Open and Novice people can see what classes are running to have a better idea how the show is running. Go to the app store that you download your apps from to download it. You can download the app before you get the code. Maps for the day will be posted on Agility Gate.
